EATING OUT

Here are a few of our suggestions - do tell us about your own restaurant discoveries. Note that smoking is prohibited by law in all restaurants, bars and shops in Italy unless they have a separate room for smokers or an outdoor eating area. Few of these places require booking in advance – those that do are mentioned below.

As you walk through Fabriano, in the old part of the city center you must stop at **LA LOCANDA DEL COLLEGIO** in Via Cavour, 100, Fabriano AN – Phone: +39 320 383 7398. A young talented chef prepare regional traditional foods in a new fashion and serves them inside or in the beautiful garden outside

One of the typical restaurant for local food and a great pizza is also **TRATTORIA MARCHEGIANA** in Piazza Benedetto Cairoli, 1- Fabriano - ph: +39 0732 250088, it is a medieval building and you can find it in the official list made by Marche Region with all “Historical Marche place”.

Another nice place is **LA VECCHIA CARTIERA** loc. Camporegge, 50, 60044 Fabriano, ph: +39 0732 72053

If you want to take a break while visiting Fabriano, you can a bite of great pizza by the slice at **PIZZA SHOP** in via Martiri della Libertà 56/D – Fabriano. You can take it away or sit in and eat at the table.

An old stone farmhouse, transforming into a welcoming rural residence is **AGRITURISMO ANTICO MURO**, closed to “Sentinum” Archaeological Site, via Sentinate 3, 60041 Sassoferrato (an) ph: + 39 0732-96843/ + 39 345-5175399

For the gratest fish meal of all try **ULIASSI** in Banchina Di Levante 6, 60019 Senigallia Ancona, ph:071 65463 (closed Mon, booking suggested) close to the port at Senigallia; reckoned one of Italy's top restaurants, not too fussy, brilliant but relaxed service and right on the beach.

If you're going to Gubbio the best-known restaurant in town is **TAVERNA DEL LUPO** in via Ansidei 6, ph: +39 075/9274368 (closed Mon) – excellent traditional Umbrian foods but at rather higher prices.

An oddity worth a visit if you are in Urbania is **IL CUCCO**, in Via Betto de Medici 9, Urbania ph: 0722/317412 (closed Sun), one of the last true osteria in the area - the enthusiastic owners serve an imaginative interpretation of local cooking and guests squeeze on to a few long tables in this tiny place; prices are a bit higher than one might expect but food is excellent. Booking required.
